

Aim High, Believe and Achieve

“For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.” Jeremiah 29:11

Our Vision:

With God's love, we will inspire all of our children to believe in themselves and unlock the potential that lies within each and every one of them, preparing them to be happy, successful and responsible citizens in the future.

Our Mission:

We will provide the environment to ensure that our children are nurtured, they receive the best education, they are happy, they feel safe and personal growth is fully developed in order for them to reach their full potential.

Our Aims:

- To be true to the Christian faith whilst also demonstrating a deep respect for other faiths and encouraging each child to have personal, religious freedom.
- To encourage all children to reach their full potential by meeting the needs of all learners and enabling them to participate fully in school life.
- To provide a safe and secure learning environment.
- To provide a curriculum that enables children to acquire knowledge and skills and to help them to develop as independent learners, recognising individual successes and milestones inside and outside of school.
- To encourage children to have a positive self-image and celebrate diversity within our school.
- To encourage children to respect each other, act responsibly and understand how their actions can affect others.
- To work in close partnership with Parents, Carers, Governors and the wider community.
