

Around the World

Recognise some similarities and differences between life in this country and life in other countries.

Are we Home or Away?

Key Texts:

Sticky Knowledge – We want you to know...

1. We live in the **United Kingdom**. The country that we live in is called **England**.
2. We have lots of things around where we live, such as a park, a supermarket, a church and a primary school.
3. The weather where we live is **mild** or **moderate**.
4. We can look at where we live on a map. Some parts of the world are very cold. This is called a **Polar Environment**. A Polar environment has a very cold **climate**.
5. The Arctic is the natural home for Polar Bears, the Antarctic is the natural **habitat** for many types of Penguin.
