

Sports Premium Report 2020-2021

What is the sports premium?

The Government is providing funding of £150 million per annum for each academic year. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Headteachers to spend on improving the quality of sport and PE for all of their children.

The sport funding can only be spent on sport and PE provision in schools.

The amount that St. John's has been allocated for 2020/2021 is £19,241

PE Grant: £17,450 plus £1791 rounded balances.

Purpose of funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding include:

- hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- paying for professional development opportunities in PE/sport
- providing cover to release primary teachers for professional development in PE/sport
- running sport competitions, or increasing participation in the school games
- buying quality assured professional development modules or materials for PE/sport
- provide places for pupils on after school sport clubs
- purchasing equipment and resources

How will we be spending the Sports Funding and who will benefit?

The table below shows how we intend to spend the sports funding during 2020/21:

Use of funding	How this will work	Number of children & timescale	Intended impact
Subsidise places for pupils at weekly, after school sport clubs	Employ coaches from Rees Sport and MB Dance to deliver after school sports clubs for KS1 & KS2 children. The funding will subsidise these clubs to enable more children to access the range of sports that is on offer & increase participation in ATSA events.	20 KS1 children & 20 KS2 children Autumn term 2020, Spring term 2021 & Summer term 2021	Increased participation at inter school events. Opportunities for children to try new sports and compete with other children with increased confidence
Provide children with opportunities to build on their skills at lunchtimes and host inter-school competitions	Coaches will run different sporting leagues at lunchtimes to enable children to compete against each other and practise their skills.	All FS, KS1 & KS2 pupils	Increased confidence when competing in/out of school Opportunities to try new sports
Employ a Rees Sports Coach and MB Dance for an extra session each week to work alongside each teacher to increase their subject knowledge & confidence in identified areas (CPD)	Each member of the teaching staff will observe & work alongside the coach when he is teaching their class. This will increase their subject knowledge and confidence when teaching the different areas/skills.	All FS, KS1 & KS2 pupils	Increased confidence when teaching PE/Dance and increased subject knowledge. Children receive high quality teaching in PE/Dance and this will improve the children's confidence & skills.
