

St. John's Mosley Common C.E. Primary School

Newsletter July 2017

Dear Parents & Carers,

Thank you!

Please may I take this opportunity to say 'Thank you' for your continued support this year with your child's/children's education. It is very much a team effort. Thank you also for all of your kind words that we received from yourselves following the Y4 Samba Drumming performance and KS2 production of Robin Hood – the children really are what it is all about!

Good Luck Y6!

To all of our fantastic Y6 children – thank you for the wonderful memories and on behalf of all the staff and Governors at St. John's we wish you every success at your chosen High School. Please remember that the St. John's door is always open and we do look forward to ex-pupils visiting us and sharing their successes.

Uniform

Thank you to all of you who support our uniform policy. Please may I ask that you adhere to the '**no trainers**' part of the policy;

Acceptable examples of footwear below:

Unacceptable examples of footwear below:

Ruck Sacks

Please can we ask that children **do not** bring ruck sacks into school. We have limited storage space and they are becoming trip and fire hazards in and around school. Ideally, book bags should be small enough to fit into the children's trays. **Our uniform suppliers, Wendy's and Icon Embroidery, both supply suitable school bags.** Thank you for your co-operation in this matter.

Lunch Boxes

If your child has a packed lunch please ensure that it is sent to school in a suitable container, with a drink. Carrier bags are not suitable for storing the children's lunches.

New website

Our new website is now live! Please take a minute to look at it and let us know what you think. We will keep it updated with the latest news and events.

Milk and Toast Money

Please see the separate letter that has been sent out.

The children start the new academic year on Tuesday 5th September 2017.

On behalf of all the staff and Governors at St. John's we wish you a very happy summer break.

Miss Heaton
